Compact print power with 4-in-1 functionality

SP 5200s/SP 5210sf/SP 5210sr Afício™

Big performance for small spaces

Where space is at a premium, our compact A4 black and white multi-functionals, the SP 5200S, SP5210SF and SP5210SR are ideal. They deliver 4-in-1 printing, copying, scanning and faxing to meet all your document needs. Packed with features usually expected only from larger MFPs, they are smaller but work just as hard. Your busy office or workgroup gets fast, affordable and versatile devices that can expand from desktop models to mighty four-tray, floor-standing powerhouses. You benefit from:

- High speed to maximise productivity
- Compact and easy to operate
- Built-in data security
- Low Total Cost of Ownership (TCO)
- Energy efficient

VERSATILE AND FLEXIBLE
The standard model offers a single tray with 550-sheet capacity which is great for either a desktop or a small office environment. Larger workgroups can extend the MFPs with three further paper trays to a maximum 2300-sheet capacity for different paper types. The SP 5210SF has a built-in fax as standard. Whilst the SP 5210SR includes an inner finisher that can staple for superb professional results while saving on space.

BOOST YOUR PRODUCTIVITY
Time is money, and our devices waste neither. With a 7.5 second first print speed, you have a copy in less than 10 seconds. With print speeds of 45/50 ppm, you can step up your workflow significantly. They also intuitively detect paper size, handle a wide range of paper weights from $52 - 220g/m^2$, colour scanning and consistently deliver superb quality reproduction. Whilst Full @Remote helps boost efficiency by providing real-time remote support for performance monitoring and diagnosis management.

MAXIMISE YOUR WORKSPACE AND MINIMISE THE EFFORT
Space-efficient, our compact A4 MFPs don't intrude on valuable workspace in the office. Set-up and operation are simple and straightforward. It also gives you a large dimension touch panel with a tilting function that can be adjusted for ease of use by any operator (SP 5210SF/SP 5210SR).

SPEND TIME WORKING, NOT WAITING YOUR TURN

You can access the copying, scanning or faxing functions whenever you need them, whether or not other jobs are being printed. Stacks of loose paper documents can be scanned straight to your desktop or a folder. You'll also have no problem faxing from your PC and organising, editing and sending files with the onboard scanning tools. While a standard USB print connection saves valuable time and enhances productivity.

KEEP CONFIDENTIAL DOCUMENTS CONFIDENTIAL

You have the choice of a full suite of security tools to keep your data safe. For example, hard copies won't print until a PIN is entered and you can restrict the use of the multifunctional devices to approved groups or individuals. Plus watermarks can be embedded in the media to prevent unauthorised copying. In addition to these standard features, our optional ID card and one-swipe Card Authentication package will also safeguard your confidential data.

CONTROL COSTS AND SAVE MORE

Our range is designed to minimise TCO with many money-saving features to reduce unnecessary paper consumption. Two-sided duplex printing, for example, is automatic and cuts down on paper use and costs. Print volumes can also be controlled to prevent unauthorised use or over-use to save on costs.

PROTECT THE ENVIRONMENT

Sustainability is a strong part of our heritage. It touches every part of our company, from manufacturing to distribution, business sites to recycling. Maximising efficiency is a firm commitment, and our SP 5200S, SP 5210SF and SP 5210SR models are both Energy Star and BAM compliant. Duplex printing, paperless faxing and all-in-one toners also reduce energy usage and save expense.

SP 5200s/SP 5210sf/SP 5210sr Aficio™

COPIER

Copying process:	Laser beam scanning & Electro photographic printing, Mono component toner
Copy speed:	45/50/50 copies per minute
Resolution:	600 x 600 dpi
Multiple copy:	Up to 999
Warm-up time:	20 seconds or less
First output speed:	7.5 seconds or less
Zoom:	Fix: 50, 71, 93, 141, 200%
	Custom: Book: 25 – 400% in 1% steps
	ARDF: 25 – 200% in 1% steps
Memory:	Standard: 1 GB + 128 GB HDD
Paper input capacity:	Standard: 550 sheets
	Maximum: 2,300 sheets
	Bypass tray: 100 sheets
ADF capacity:	50 sheets
Paper output capacity:	Standard (face down): Up to 500/600/250 sheets
Paper size:	Standard tray/Bypass tray: A4, A5, A6, B5, B6, Legal, Foolscap, Letter, Folio, F/GL, Executive, Half Letter, Com10, Monarch, C5, C6, DL Env, 16KAI, Custom
	ADF: A4 - A5, Legal - Half Letter
	Optional paper tray: A4, A5, B5, B6, Legal, Foolscap, Letter, Folio, F/GL, Executive, Half Letter, Com10, Monarch, C5, C6, DL Env, 16KAI, Custom
Paper weight:	Standard/Optional tray: 52 - 220 g/m²
	Bypass tray: 52 - 220 g/m²
	Duplex tray: 60 - 163 g/m²
Duplexing:	Auto Duplex
Dimensions (W x D x H):	460 x 510/510/615 x 686 mm
Weight:	Less than 45/47/53 kg
Power source:	220 - 240 V, 50 - 60 Hz
Power consumption:	Maximum: 1,500 W or less
	Energy saver mode: 8 W or less

PRINTER

Print speed:	45/50/50 pages per minute
Printer language/resolution:	PCL5e, PCL6, PostScript 3, IPDS (optional): 1,200 x 600 dpi
Interface:	GigaEthernet, 100/10Base-TX, IEEE802.11a/g
Network protocol:	TCP/IP
Supported environments:	Windows XP/Server 2003/Vista/Server 2008/7(32bit), Windows XP/Server 2003/Vista/Server 2008/7/Server 2008 R2(64bit)

SCANNER

Resolution:	ARDF: B & W: 100, 200, 300, 400, 600 dpi
	Colour: 100, 200, 300 dpi
	Book: B & W: 100, 200, 300, 400, 600 dpi
	Colour: 100, 200, 300, 400, 600 dpi
Original size:	A5 - A4
Output formats:	PDF, TIFF, JPEG
Bundled drivers:	Network, TWAIN
Scan to e-mail:	POP3, SMTP
Stored destination addresses:	Maximum 100
Scan to folder:	SMB, FTP, NCP

SOFTWARE SOLUTIONS

SmartDeviceMonitor™, Remote Communication Gate S Pro™, Web Image Monitor, DeskTopBinder™ Lite, App2me

FAX

Circuit:	PSTN/ PBX
Compatibility:	ITU-T, G3
Modem speed:	33.6 K-2400bps with Auto Fallback
Resolution:	8 x 3.85 line/mm, 200 x 100 dpi (standard)
	8 x 7.7 line/mm, 200 x 200 dpi (standard)
	8 x 15.4 line/mm, 16 x 15.4 line/mm, 400 x 400 dpi (with optional SAF memory)
Compression method:	MH, MR, MMR, JBIG
Scanning speed:	ARDF: Less than 1 second
	Book: Less than 2 seconds
Memory capacity:	Standard: 4 MB (Approx. 320 pages)
	With optional SAF memory: 28 MB (2,240 pages)
Memory backup:	Yes (1 hour)

CONSUMABLES

Toner:	Black: Approx. 25,000 prints/ctrg[1]

OTHER OPTIONS

1 x 550-sheet paper tray, 1 x 550-sheet paper tray with caster, Fax option (SP 5200S/SP 5210SR), Low Cabinet, Medium Cabinet, High Cabinet, IPDS unit
