SP 201N

22 ppm B/W

Compact and fast B/W printer

The SP 201N black-and-white A4 laser printer is bound to increase the printing productivity in your small/home office. It offers high speeds, efficiency and the overall cost-effectiveness of laser printing. Yet it is compact and quiet, fitting unobtrusively on a desktop. Network-ready, it is remarkably quick to warm-up, and speeds along at 22 pages per minute. With the SP 201N, Ricoh brings straightforward black-and-white laser printing to your office.

Easy to operate

The user-friendly operation panel displays clear instruction menus that are easy to understand and follow. Full-front access speeds up paper loading, toner replacement and maintenance activities.

Fast and productive

With a short warm-up time of less than 25 seconds and a fast print speed of 22 pages per minute, this device boosts your office productivity. The paper tray takes 150 sheets. Manual duplex enhances productivity and saves paper.

Extremely reliable

This printer incorporates durable parts and has a reliable design. It is set to run and run for years of frequent, every-day office use.

The ideal B/W printer for home and small offices

Affordable printing

The long-lasting, high-yield, All-in-One toner cartridge reduces operating cost. This makes this device an affordable investment for cost-conscious small offices.

Compact and quiet

Its small footprint means that the SP 201N saves valuable office space, and the device operates with low noise levels.

Network-ready

You can enjoy seamless network integration thanks to the standard built-in Network Interface Card.

Environmentally responsible

At Ricoh we help you lower your environmental footprint. The SP 201N features environmentally responsible features such as a short warm-up time and increased toner yield.

SP 201N

MAIN SPECIFICATIONS

GENERAL
